

Tapestry children need your help!

Help us to renovate and update our

Child Waiting Room/Play Area

Our waiting area is used on a daily basis throughout the day while children are waiting to be seen for therapy, during assessment appointments, or when awaiting transportation. These children deserve to have a safe and inviting place to enjoy, so let's give it to them!

We are hoping to refurbish with new paint, more educational and engaging games, toys, arts and crafts, supplies, and activities. Our goal is to raise **\$1,000!**
